

ROGER INMAN MEMORIAL AWARD FOR COMMUNITY ECONOMIC DEVELOPMENT

The Roger Inman Memorial Award is given annually in recognition of a project that has made a significant contribution to the economic development of the community. CCEC is committed to keeping our money and resources working in our community by actively supporting and promoting the development of strong, successful community businesses, projects and organizations.

The award honours the memory of Roger Inman, a past president of CCEC, whose contributions to the wellbeing of the credit union were numerous. Roger became a member when CCEC first opened in 1976

and shortly after began serving as a volunteer teller. He was also a member of the credit committee, and later joined the Board of Directors where he served as co-chair and spearheaded the newsletter.

A warm lovable man, Roger always contributed his time, insights, and his humour to the many community initiatives with which he was involved. He was also active in local politics where his keen mind and natural optimism were always appreciated. Through this award we acknowledge his devotion to community economic development, his commitment to

his ideals and his generosity in spirit.
